“ *My dearest Aunt may you rest in peace. I will miss your smile and your kindness that you always shared. God has called you home to make you one of his angels so take those wings and fly. Someday we will meet again on the other side. Until then I hope your dancing in the sky and I hope your singing in the angels choir I hope that heaven knows what they have. You will be missed by many.*

“ *Susanne and I grew up together. She loved her family so much especially her granddaughter Emma. She was the one that always took care of others. She was always there to help out if you needed anything. One night I needed a ride to the hospital to see my grandson, she asked no questions just jumped in her car and said let's go. She will truly be missed. thank you Susanne for all that you did for all of us.*
