“ I'm so sorry to hear about Tom's death. I didn't know Tom personally. I work at the VA with Dr. Chiang and found out Tom was having a difficult getting his prescriptions renewed every month. I told him to call me every month for the renewal and it worked out well. He was always so pleasant on the phone. He would always said it's one day closer to the weekend. The last time I talked to Tom from Florida, he sounded very upbeat. I'll miss his phone calls.
