“ Butch, I was truly sorry to read about the death of your mother. I know how close you were to her and how hard this all must be. I always remember "mom's cooking tonight". I work down the street(a couple of miles actually) from the funeral home and was going to come to the calling hours but it didn't work out that way. Besides, you would probably be the only person that I would have known there, and even that is a iffy situation after 25 years. I don't know where you are living in Oswego, so I can't send a card. But I did want you to know that my heart, thoughts and prayers are with you and your entire family at this time. As always, Nancy
