“ Dear Cheri, Kathy, Skip, Cindy, Debbie, Rick, Scott & Lori, My family was so sad to hear of your Mom's passing. I wished that I could have been there for you, but we were away until Friday. We all have so many wonderful memories of your Mom and Dad & family, at Green Lakes, at Wellsley, and at each others homes over the years, celebrating friendships and special occasions. My boys will always remember her generosity and her pets! I personally admired and thought the world of Ginny. Although we didn't see her often, I felt like another daughter or at least a niece! Pierre and I hoped to visit with her this fall and I am very sad that will not happen. However, it meant so much to me that Ginny was able to come up to Perth in June, along with Rick & Cindy. What a strong, generous and loving lady! Ginny's faith will take her home to be with your dad. We hope and pray that your loving memories will sustain you in the months to come. A day at a time. Thinking of you all. Love and Prayers, Sherri, Pierre, Brad, Luke, Chuck, Mitch & Dan

“ Cherie, Kathy, Skip, Debbie, Rick, Scott and Lori I think of you all often. I want to express my deepest sympathies to you at this time. Your Mom was a wonderful woman who I respected and loved. She will be missed by all who knew her. I was so glad to see her in June at Mom's funeral. Thank you for that special time for the Monnells, Sexsmiths and Lashleys to be together again. You are all family to me. Although we are away and unable to attend the service, be assured that we are with you in spirit and thought. May God give you strength and his love in understanding how your Mom is living in a better place today. She is with your Dad and her parents and will see you all again in Heaven someday. In the meantime she is watching over you and will always be with you in spirit as an angel. Our love and sympathy to you all love Dave, Cavelle and family
