“ *Bill was a wonderful, open man with a terrific sense of humor. Deb-- I know your Dad cherished you. I still remember him filling your tiny apartment with so many packages you could hardly move..the pizza he shared with us at his house and how welcoming he was whenever we came over. No doubt beautiful Hannah brought him so much joy. I'm so sorry for your loss, my friend.*

“ My deepest sympathy goes out to Mary & the Swartwood family on the lose of their son, father & grand-father. Bill's father, Harry, was my boss for many years at Sylvania & GTE, & his wife, Mary, was my hair dresser for a while. Knew most of the family. I moved down here to Fl. in Oct. 2004 to live here permanently, otherwise, I was a snow-bird. (Went back & forth each season) I saw the obit in the Post Standard this morning, as I look at it every day from here via the computer. Again you have my deepest sympathy and GOD BLESS, Shirley Knapp
