“ I was very sad to read about the passing of Bill. Tomorrow will mark the 50th Anniversary (June 27th 1971) since we graduated from ESM together. I remember standing in the hallways of ESM shaking hands with Bill and Mike Shibley congratulating ourselves on graduating. A week later, on July 4th , I was watching the 11 P.M. news on Channel 3 and heard that Mike Shibley had drowned at Sylvan Beach that day. The last time I saw Bill was in June 1978. He was standing in line at K-Mart on Erie Blvd. East. I talked to him and he told me he was working as a security guard. It's too bad Bill couldn't have been around to remember that day in June when he graduated.

Thank you for your memory. Although I was much younger than Bill I remember when Mike passed. So sad. We just remembered his birthday. Still seems surreal.
